THE ALUMNI OFFICE

The Alumni Office, maintained by The Alumni Council, is located on the first floor of West College on the campus, and all alumni are urged to make it their headquarters when visiting the University.

Local clubs and alumni generally are urged to use the Alumni Office as their "service station." The office will assist in securing speakers for alumni meetings and gatherings; supply address lists for alumni or University use; answer or refer inquiries about the University; assist class or club officers in arranging reunions; supply pennants for decorations, songs and yell sheets for local meetings; and will strive to be useful in every possible way to the University and the alumni. The Alumni Office is in charge of the Secretary, Al. G. Stoughton, '24.

Alumni work will be successful to the extent that Bucknell men and women are interested in the Association and the Council and their programs, generous in support to aid when asked. Suggestions and criticisms are invited.

PLAN

This directory consists of one alphabetical list of names. Class lists, departmental groupings etc., have been omitted to make a quick reference volume. These lists may be secured by application to the Alumni Office.

Each name is followed by the degree, class year, and address. In the case of a non-graduate only the class year and address are given. Other degrees and the institutions conferring them are listed where known.

Honorary degrees are listed with the year in which the degree was conferred, e. g. Hon LLD '30.

Married women are listed under both maiden and married names with cross references. Class year, degree and address are given under the name of the person as a student.

Initials other than degrees preceding class numerals refer to departments as follows:—

A—Art DS—Domestic Science
EL—Elocution I—Institute
M—Music

The Directory

THE task of keeping the ever-changing Bucknell alumni address list of 7000 names up to date, is a never ending one for the Alumni Office.

Alumni will render a valuable service by informing the Alumni Office of any changes, additions or corrections in the foregoing pages. » » » » » » »

The Alumni Fund

OF, for, and by Bucknell Alumni is The Alumni Fund. It is launched this year by endorsement of The Board of Trustees, The Alumni Council, and hundreds of alumni.

Those who will carry the heaviest burdens are the committee. They will need the cooperation of every alumnus for the greater fame of Bucknell.
